Tower Radio will host a vespers program at our church. Their
“Old Time Radio Variety Hour” will include the STR Quartet
and other musicians, some from our own church and likely from
the school. The program will be recorded and subsequently
aired on STR's network of radio stations.

Book of the Month: Beaten almost to death, thrown into the
street, kicked out of the family forever-all because of his new
faith. Author Joseph Kidder was found by God on the streets of
Baghdad. The book "Out of Babylon" reveals how a divine
appointment changed his life forever. For information on how to
obtain this book at a reduced price see Ken Stubbs. Church code
of 44090.

Shut ins: Our Shut-In list is expanding and we could use more
help with visitation. Also, if you know of an older person or
couple who could use some help around the house or in the yard
please let the School office know so they can pass the
information on to the teacher(s) who might have students who
can help.

Thank you, Blood Drive. We had a great turn out at the Blood
Drive, and I wanted to say thank you to all those who came out
and attempted to donate! I believe our final numbers were 34
donation attempts with 29 donations. We blew our expectation
of 15 right out of the water! Three people gave a double
donation! You truly have made the difference to folks who are in
very trying stages of life. So many in our own congregation can
say “thank you” to blood donors like you for the life-saving
treatments they have received. --a personal “Thank you!” from
my family and the Pittman's--as we have been personally
blessed from generous donors such as yourselves. *Charles*
