Guests (signed up/or have been contacted), please meet just inside the fellowship room immediately following the church service where the Social Committee will give you directions as to where you will be going. We will keep the (Guests) an additional 10-15 minutes after the church service to allow the Host time to make their way home. Protestants have historically recognized two ordinances: baptism and the Lord's Supper. Baptism uses water as a symbol of spiritual realities such as cleansing, forgiveness, rebirth, and new life. The Lord's Supper uses simple physical symbols such as unleavened bread and grape juice to symbolize, first, the broken body and spilled blood of Christ, and second, the spiritual nourishment each disciple needs if he or she is to grow in Christ.

Adventists might add one more ordinance to the list: The washing of feet. On the night that He instituted the washing of feet as an act of spiritual meaning, Jesus told his disciples: "Those who have had a bath need only to wash their feet; their whole body is clean" (John 13:10, TNIV). While He was literally referring to someone who had bathed and then walked in sandals to a dinner party - thus getting their feet dirty, while they remained otherwise clean - many have seen a deeper spiritual meaning in what He said: once baptized, the washing of feet provides a periodic reminder of the cleansing that we all enjoy because of Jesus' grace.
